WICK'S WEEKLY

A BIG DOUBLE: That's how the Kenwick Football Club celebrated the opening games of the 1975 season when they met Mandurah last Sunday.

The Seconds side used the wind to advantage in the first quarter when they put on five goals. However, Mandurah, not to be denied, fought back in the second quarter and closed the margin by half time.

In the third quarter it was goal for goal but in the last quarter the Royals really fired and went on to win by 26 points.

Although quite a few players took time to settle down there were a number who showed great form all day. These included Paul Roberts and Brian O'Donnell (both award winners). John Hollies and Tom Quinn also played strongly.

The League game followed the same trend as the Seconds game in the first half, but after the half-time break the Royals showed their true form and cut the Mandurah defence to threads. In this term there were some great goals kicked by Ray Shepherd and the unbeatable "Fatta" Holbrook.

Mandurah did not score their first goal until midway through the final quarter and followed this up with a further one in the final siren.

Best players for Kenwick included Brian Thompson and Kevin Wilson who both gave a faultless display at centre and centre half-back.

Others who put in great efforts were Kim Lofts on the ball, and John Hart at full back.

Coaches Pat and Brian would have appreciated seeing the players perform under real pressure and no doubt those players who did give their all last week will certainly do so against Kalamunda today.

After last week's games the supporters will be expecting a repeat result, so fella's, let's get out there today and bring up another double.

SOCIAL: All players and supporters are reminded that membership fees can now be paid with the fees being \$8.00 males and \$4.00 females.

Last week's Cabaret was an outstanding success and a special thanks must go to the committee and ladies for their great job.

TIGER RAG

Last Sunday, against Thornlie, saw Canning defeated but in no way disgraced, in both games. The League side appeared to be the better side up till half time but faded out after the break. All players, with the exception of Graham McGeedy, and Bill Archibald, appeared to lose all interest in the game. More dedication to the game is needed and if all players get right behind Paul, the Canning side will develop into a strong premiership possibility.

In the Reserves game Canning were completely over-run in the first half but countered Thornlie's every move in the second half. The side produced only patches of football they are capable of playing. Players to show out were the McGurk brothers and Greg Dickinson.

On the social side of things, Tony Johnson, the social secretary, has a few good ideas about functions to be held during this season but is open to any ideas to improve the Club socially. So let's get behind him and make this year a successful one. Watch out for coming events.

Today's game against Kwinana is our first home match so let's try and bring up our first victory. To Kwinana players and supporters, you are invited to join us for a drink after the game and enjoy the hospitality of Canning.

THE KNIGHTS' NOTES

Although we didn't pick up the four points against Gosnells last week the effort of all players to get the team back into the game after appearing hopelessly beaten at half time was a great one. Lack of concentration during the second quarter undoubtedly cost us the game, although we still had our chances to win in the last few minutes.

Congratulations to Gosnells for their hard fought win. Everyone at Kwinana hopes Peter Dougan's injury was not as serious as it first appeared and he makes a quick recovery.

The reserves side put in a disappointing effort. It is obvious that a lot of players are not fit and they will need to train harder to hold their place. We have quite a few clearances pending and this will place pressure on these players.

Social Notes: A quiz night will be held at the Tavern on Monday, 21st April. Let's have a full attendance.

Today's game is against Canning and they will be just as desperate as we are to bring up their first win. How about a big effort for the full four quarters to fellows.

BULLDOGS BULLETIN

Kelmscott lost their first game last week with the League side being beaten by three points by Maddington, last year's premiers. As the Reserves team was soundly beaten as well, the Bulldogs can't boast a happy start to the 1975 season.

The League team took the field with a full line up and without any players carrying injuries. It is clear that for Kelmscott to win a premiership the players of last Sunday must be able to turn the tables on Maddington in future fixtures.

For the Reserves team to improve there must be a rapid development of team play and cohesive football.

Despite the ignominy of defeat Bulldog followers can be pleased with the debut of new players Barry Crib, Ron Higham, Alan Scari and Alan Mitchell.

Today's game against Armadale is a vital one for the Bulldogs and supporters will be demanding victories in both the League and Reserves games.

The committee welcomes all old and new players to the Club for the 1975 season and urges them to support all Club functions during the year. An invitation is also extended to all supporters, new and old, to join in the social activities of the year.

"IN THE LIONS LAIR"

Last Sunday saw the Lions bring off their first "double" for the season. Thornlie's new Capt.-Coach, Fred "the fireman" Seaton was reasonably happy with the game, but improvements are expected. It was noticeable that a complete reversal in position for two players from last year's side, proved to be a great success. Pete Gurney from full forward to full back (a great game) "Banger" Bancroft, full back to full forward (six goals). Well done, fellas.

John Eddy (J.T.) coach of the Reserves was also happy to get the four points, but there was a little bit of over-confidence in the second half, after leading by 12 goals at half-time.

After match awards were won by:

League: Chris Roe, Ed Kavanagh, Ken Tylor.

Reserves: Rex Lovis, Col Halg, Alex Nie.

SOCIAL NOTES:

Cabaret: On 26th April, at Thornlie's new clubrooms, \$2.00 per person. Bring your own supper. Good band, 8 p.m. till late.

Bingo: Commencing Tuesday 22nd April, at Thornlie's new clubrooms. Eyes down at 8.00 p.m. sharp. Support the Club with your attendance.

"THE BULLS"

Our league and reserves, both premiers last year, proved that they will remain a power in the competition during the 1975 football season, with two great victories last Sunday.

Despite the closeness of the scores, I feel that the league team always had control of the game. Although we failed to produce a full four quarter effort it was to the players' credit that they were able to convert a one goal deficit at three-quarter time to a two goal advantage during the last quarter, and with all players showing tremendous courage and application they were able to hold out all challenges thrown at them by a determined Kelmscott side. I feel that the Bulls' coolness at crisis periods in the last quarter was the stamp of a true professional side. Congratulations to Kelmscott on the way they fought it out, and it was a pleasure to see two good teams concentrate on football in spite of some very inconsistent decisions.

Best players for the Bulls: Jim Di Carlo, Jim Cominelli, Dennis Cometti, Colin Marshall and Tom Hitchcock.

The Reserves proved far too strong for Kelmscott and were untroubled to win by 64 points. Although the game failed to produce a high standard of football, with good teamwork and players prepared to assist one another during the third quarter, the Reserves showed that with a concentrated effort they have the potential to be a top side again this season. In a welcome return to football, Terry Wilson led the forward line with a fine performance, firstly on a half forward flank and later at centre half forward. Other good players were Terry Richardson, Alf Wood and Julian Slavin. Congratulations to

Dave Reynolds and Graham Rothnie on their appointments as captain and vice-captain respectively.

I am happy to report that we came through last week-end without any serious injuries, although I know there would have been some very stiff and sore boys on Monday morning, and I can vouch for that. Graeme Brice (ankle injury), Tony Hynam (dislocated shoulder) and Peter Hall, all injured during the pre-season games, are making satisfactory progress and should be available in three to four weeks.

COMING EVENTS: Friday, 18th April, Games Night, \$2 per couple, beer and eats provided.

Friday, 2nd May, NOT 5th (as previously announced), Cabaret, 50c per head, 8 p.m. till 1.00 a.m. Ladies bring a plate.

Monday, 14th April: Ladies' meeting 8.00 p.m.

Well, today its' Gosnells, and no doubt the Hawks will be out to avenge their preliminary final defeat last year. However, I feel with the hard game under our belt from last week, we should continue on our premiership drive in '75.

THE HAWKS WILL STRIVE IN '75

The 1975 season commenced last Sunday with the Hawks recording an important double at the expense of Kwinana. The League game was of a high standard and produced some brilliant passages of football, especially in the first half when the Gosnells forwards combined well to establish an eight goal lead at half time. Kwinana however issued a determined challenge in the final term but the Gosnells defence led by Alf Oldenhoff, were equal to the task and we ran out winners by five points. Best players were hard to find in a real team effort but it was pleasing to see new players in Phil Hayes, Dick Morphett, Don Kennnigton together with our old companion Gerry Green all perform well.

The Seconds team under the guidance of Coach Norm Barrett, were responsible for probably the best performance given by a Gosnells second side for some years. Bill Griffiths looks set to have a good season judging by his game last week. Also Ted Wilkes, Murray James and Roy Fitzgerald impressed.

League Coach Peter Dougan (speedy recovery wished by all) is in a happy position with a great deal of talent at his disposal and this augurs well for a successful season.

Today is the local Derby against Maddington. A win is a must so come on Hawks—make it a double and put Gosnells on top in 1975.

The committee and members of the Gosnells Football Club would like to extend their deepest sympathy to Percy Garrett and family on the loss of his brother "Nuggett" Garrett, who passed away last week.

Congratulations are in order for Ray Minson who plays his 100th League game for the Club

today, and has given great service on and off the field in the past years.

Win, lose or draw Maddington players and supporters are invited to join us after the game for some lively discussion.

KALAMUNDA KOUGARS

The district team is turning the corner from being last year's underdogs. Rally around supporters and be part of the on and off the field. We need help and support — check with our Secretary, Graham Watson.

We are a relatively young side and improvement has been shown and will continue to be evident in forthcoming matches. Armadale are to be congratulated on the performance of their League side last week, with positive attacking in the last half. However, we will look forward to a return match. The Kougars nearly sprang and in the first half provided supporters with a constructive brand of football, deserving their lead at the break. Let's spring forward this week chaps, and take Kenwick.

Congratulations on determined and constructive play from Eddie Hayes, Bruce Leaver, John Wilson, Kevin Denn, Peter Duckett and Phil Hayes.

Well done, Reserves, what a tonic your victory was. A good team effort of determination and dedication. Alan Blackburn, Brian Quartermaine put in a great effort. The good wishes of all the Club are with David Thorn for a speedy recovery from his injury. Tough luck, David.

Last Friday's Cabaret was a roaring success, and all who attended obviously enjoyed themselves.

Welcome Kenwick, all are invited to join us after the match at Wattle Grove Hall, just around the corner in Welshpool Road. Just follow the crowd.
